History

South Sydney Juniors Rugby Leagues Club Ltd was opened in December 1959.
Secretary Manager was George Wintle, our founding father. Claire, shortly after the Club opened was employed as a general duties' office worker. She quickly rose to the position of secretary to Mr Wintle in the SSDJRFL. Upon Mr Wintle resigning his position Claire continued to work in her position. A new Management Committee was elected and Claire was appointed Private Secretary to President Wally Dean, as well as Secretary to Hon Secretary Darcy Lawler of our Junior League. Claire continued in her role and was elected Honorary Treasurer of the Junior League. An amazing feat from an amazing lady. She was elected a Life Member and was a fierce protector of all of our Honorary Workers. Whenever South Sydney Junior League is spoken of, at home or afar our magnificent Claire James will be remembered with great fondness.
